Advanced Web mail

This option is suited for users who want extensive email storage space and web access. Ideally suited to people who only access their email via their web browser.

250MB mailbox with IMAP and POP3 access included £25 per year per mailbox.

Each domain has the option of Anti-spam, Anti-virus and Content Filtering to be applied to all the mailboxes. Anti-spam and anti-virus measures will be enabled on request and may be subject to an additional charge.

Additional storage space per mailbox is available up to 5GB per mailbox. £10 per year per 250MB per mailbox.

Additional Notes

Please note that a full name and postal address is required for domain registrations and transfers. It is possible to specify separate addresses for the billing and administration contacts, however, the Technical contact will be IR(MMI) Limited unless you have a good reason for having it as a different contact.

All domains are provided with an administrative "Lock" this is for the domain holder's (Registrant) protection. This lock needs to be removed prior to any domain "whois" changes can be made and for transfers away. We will remove the lock free of charge, but reserve the right to charge a fee for removal should we see this as necessary.
